Rheumatic Pains

"I have suffered terribly with rheumatism. I took Dr. Miles' Anti-Pain Pills and they gave me great relief. I have spells of terrible pains in my ribs, and in the small of my back, and the Anti-Pain Pills help me right away. I am now well of the rheumatism and think Anti-Pain Pills done memore good than all the other mediand think Anti-Pain Pills done me more good than all the other medicines. I first heard of them through the following circumstance that happened at our home two years age. A friend, Mrs. Brown, of Orion, Mich., came to visit us. She had not been able to dress herself or comb her own hair for months. A friend of ours came in and seeing her suffering offered her some Dr. Miles' Anti-Pain Pills. She laughed at the idea of relief from such a source after doctoring for so long, but took one one of the tablets with the remark that it would at least do her no harm. She took another that evening, and the next morning she was so elated that she went to the druggist's and got a package and was so elated that she went to the druggist's and got a package and took them home with her. Recently she was here again, and told us that she continued taking the pills, and that one box cured her, and she has not had a symptom of rheumatism since."

Dr. Miles' Anti-Pain Pills are sold by your druggist, who will guarantee that the first package will benefit. If it falls, he will return your money. 28 dozes, 28 cents. Never seld in bulk.

The but is a soft, soap-like stone which is mined just as coal is mined. Asia Minor is the principal sent of the industry.

In its crule state, merschaum is vellowish white in color, and a red coat or skin envelopes the blocks taken from the mine. These blocks bring from \$35 to \$200 a carload. They are soft enough to be cut with a knife. After being dried under the open sun in summer, or in a warm room in winter, the blocks are sorted into different grades. They are then wrapped in cotton and packed in cases for the market. The bulk of the product goes to Vienna, where the best pipe makers are found.

HAIR NATURALLY ABUNDANT.

Items of Interest Gleaned From Our When It Is Free of Dandruff, It Grow, Luxuriently.

Laxuriently.

Eair preparations and dandruft cures, as a rule, are sticky or irritating affairs that do no earthly good. Hair, when not dineased, grows naturally, luxuriantly. Bandruff is the cause of nine-tenths of all hair trouble, and dandruff is caused by a garm. The only way to cure dandruff is to kill the germ; and, so far, the saly hair preparation that will positively destroy the garm is Newbro's Herpicide—absolutely harmless, free from grease, sediment, dye matter or dangerous drugs. It allays itching instantly; makes hair glossy and soft as silk. "Destroy the cause, you remove the effect." Sold by leading druggists.
